**Comments:**

- Standard prize money is \$11,000 on the Acton Track & \$14,000 on the course proper for standard TAB race meetings. Melbourne Cup day is \$11,000 per race. All prize money subject to ongoing budget review.
- Synthetic track race distances are restricted to 1080, 1206, 1280, 1750 & 1900 metres and because of the limited variation in the three sprint distances and the three staying distances a balanced programming is difficult to achieve.
- Trophies:**  
3/9/10 - \$300 Tony Campbell Cup Owners Trophy Open 1280 metres. \$300 Race callers Cup Owners Trophy Benchmark 70, 1750 metres.  
2/11/10 - Melbourne Cup Day \$300 owner's trophy on all races.
